[illegible]

A detailed cross-sectional diagram of the device. It shows a base assembly 5 with a top layer 51. Inside, there's a component 71(71A) with a protrusion 53. Above this, a series of vertical elements 52 are shown. A horizontal member 6 is positioned above them, with a downward arrow 62 indicating movement. Other labels include 61, 63, 64, 65, and 72B. The label 51E, 51F points to the upper part of the base assembly.
